Platts values your Privacy. Your information is stored in a secure database in the U.S. and Canada and access is limited to authorized persons. In addition, we have contracted with selected companies in other countries to provide customer service assistance on our behalf. If you do not wish your data to be shared by Platts with other companies for marketing purposes, please contact Platts Privacy Official at +1-713-658-3233 or e-mail MarketingOps@Platts.com with the information you would like removed from our lists, including multiple e-mail or postal addresses. Please contact us with any questions or to review your data. For more information about The McGraw-Hill Companies' Customer Privacy Policy, visit our Web site <http://www.mcgraw-hill.com/privacy.html>.

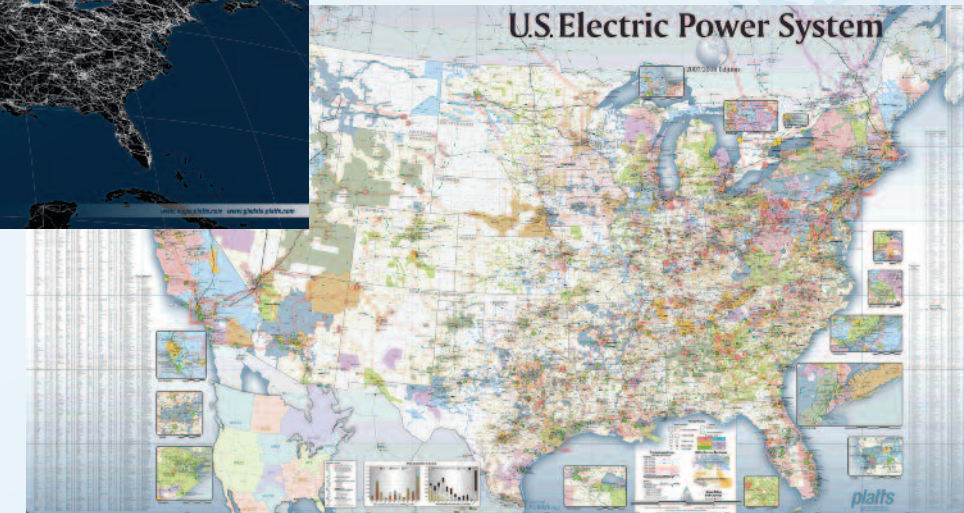

Platts' global maps cover a broad spectrum of the power industry.

Some of Platts' newest maps include:

- U.S. Electric Power System Wall Map & CD-ROM
- North American Natural Gas System Wall Map & CD-ROM
- North American Electric System Atlas CD-ROM
- North American Natural Gas System Atlas CD
- European Electric Power Systems Wall Map
- U.S. Power Generation Wall Map
- U.S. Utility Service Territories Wall Map
- U.S. Transmission System Wall Map
- Northeast (US) Electric Power System Wall Map
- Wind Resources of the Western United States Wall Map

For the rest of 2008, any purchase over \$195 will also receive this gorgeous graphic display of the North American electric transmission grid. It is perfect for areas in need of decoration such as offices, boardrooms and lobbies.
